Debtors.

**SECOND ORDER REQUIRING DEBTORS TO AMEND DISCLOSURE STATEMENT**

On June 3, 2020, the Debtors filed an amended plan and disclosure statement, in a document entitled “Debtors’ Combined Plan of Reorganization And Disclosure Statement” (Docket # 51). The Court cannot yet grant preliminary approval of the disclosure statement contained within this document (the “Disclosure Statement”). The Court notes the following problems, which the Debtors must correct.

First, in the Liquidation Analysis on page 31 of the Disclosure Statement, the Debtors indicate that they have a 2015 Ford Taurus that has a market value of \$17,061.00, that the IRS has a secured claim against the vehicle in the amount of \$5,137.03, and that the non-exempt equity in the vehicle is \$0.00. Because the Debtors have not claimed any exemption in any portion of the value of the 2015 Ford Taurus in their Schedules C (Docket # 29), the Debtors must state in the Liquidation Analysis that the non-exempt equity in the vehicle is \$11,923.97, and must revise their Liquidation Analysis accordingly.

Second, the Debtors must delete all of the following language in section VI.F of the Disclosure Statement on page 39:

*See Part II-A of this Disclosure Statement to determine which of the above paragraphs applies in this case.*

***See Part II-A of this Disclosure Statement to determine which of the above paragraphs applies in this case.***

(Bold emphasis in Debtors' original).

Accordingly,

IT IS ORDERED that no later than **June 8, 2020**, the Debtors must file an amended combined plan and disclosure statement that is consistent with this Order.

IT IS FURTHER ORDERED that no later than **June 8, 2020**, the Debtors also must file a redlined version of the amended combined plan and disclosure statement, showing the changes the Debtors have made to "Debtors' Combined Plan of Reorganization And Disclosure Statement" filed June 3, 2020.

**Signed on June 4, 2020**
